

National Education Association  
New Hampshire  
**Executive Director (CEO)**

The National Education Association-New Hampshire, seeks a dynamic, high energy advocate for public education who embraces the values of collective bargaining and representation to serve as the Executive Director. The Executive Director functions as the Chief Administrator for the organization and oversees a statewide organization. NEA-NH represents the professional and working interests of its members and plays a prominent role in shaping state policies that affect public schools. The successful candidate will be a seasoned professional, with excellent leadership, interpersonal, strategic planning and communication skills.
